

# kids wellness packages

## kid's classes

get your monkey moving in your choice from our variety of music, movement, theatre, dance, and yoga classes. please see our class schedule for class descriptions, times and additional information.

## open gym

it's a jungle in there. monkeys can create their own adventures in our unstructured free play called open gym. located in the larger of our two bright airy studios, it's the perfect place to escape your house and meet up with friends.

## purely kids photography

several times a year we offer our members free photo sittings making it convenient and easy for you to capture your child's unique features and personality in custom black and white photographs by purely kids photography.

## nutrition

one-on-one sessions with our registered dietitian focus on your child's or family's specific nutrition concerns and teach you how to create positive feeding relationships with your children.

## introductory

get introduced to urban monkeys through our signature open gym and complementary photo sittings with purely kids photography. perfect for families who want to add variety to their play routine.
